Kyoto Ocean Road Executive Committee

kotomari.ne@gmail.com

© OpenStreetMap contributors

The Kyoto Ocean Road Executive Committee is an organization established in June 2019 to bring together the local organizations and businesses in the northern part of Kyoto and enliven the local tourism with bicycles, especially e-BIKE. Cyclists and foreigners and tourists from local communities, from infants to the elderly, aim to create sustainable tourism content where they can interact with the region and love the region.

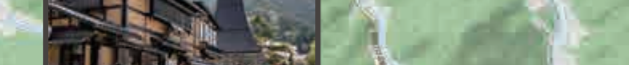

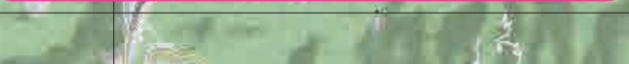

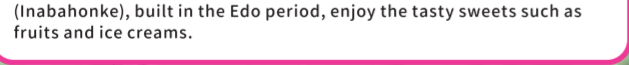

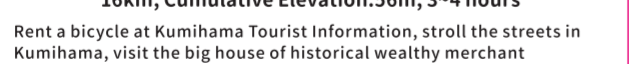

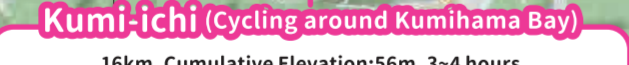

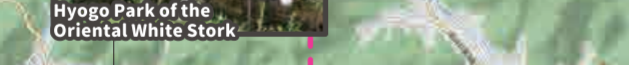

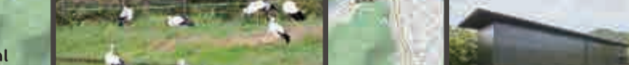

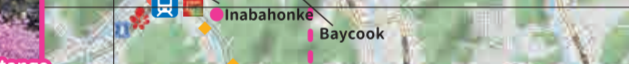

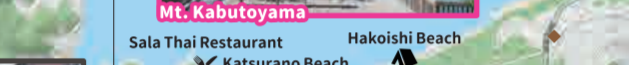

Yuhigaura Fruits Course

13km Cumulative Elevation 45m 3 hours~2 days

Yuhigaura, is an area where is not only famous for its sunset and onsen, seafood, but the abundant seasonal fruits, sweet red bean rice balls, buffets, sake ice creams in Tango. Worth staying a night or two in Yuhigaura.

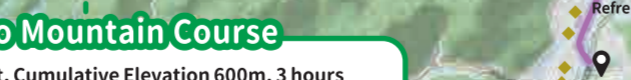

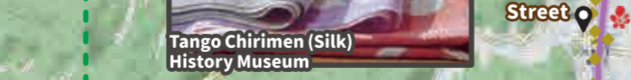

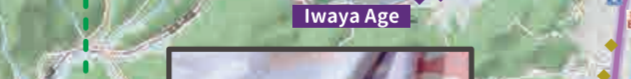

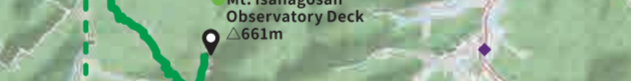

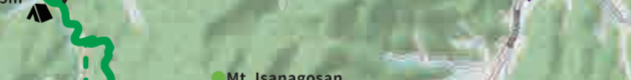

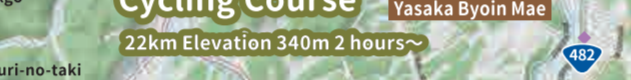

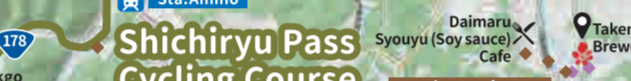

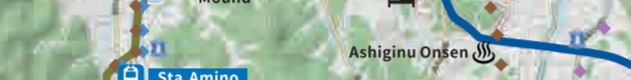

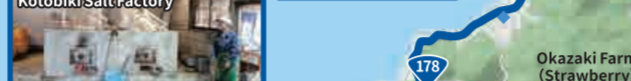

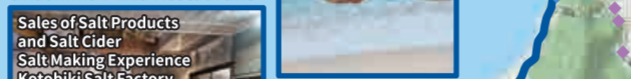

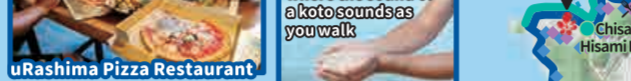

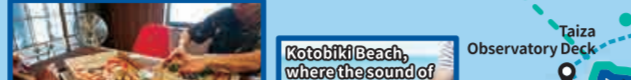

Overlook the entire view of Shotenkyo and the 2nd Amanohashidate

Taiza Cruising Course

10km, 2hours~

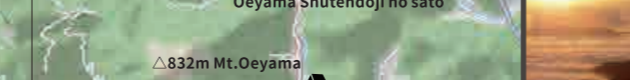

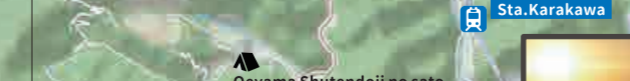

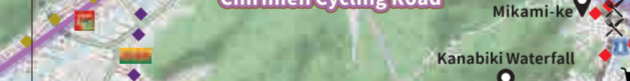

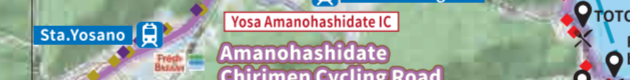

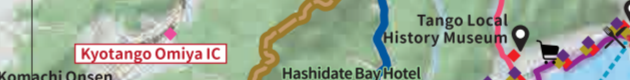

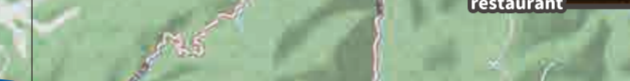

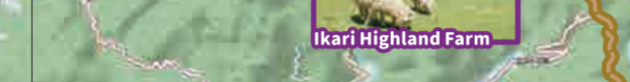

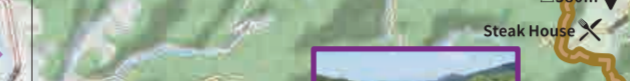

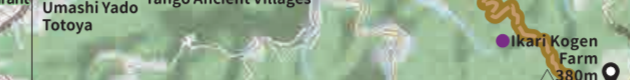

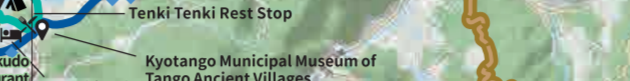

The Ryugu Project offers many experience programs. The cycling tour will be guided by specialists and local guides who are familiar with history and culture, focusing on Taiza area. e-BIKE rental is also available.

Isanago Mountain Course

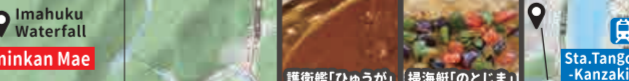

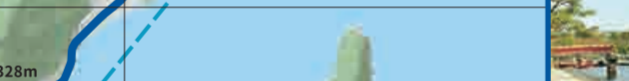

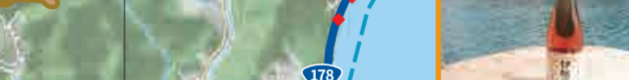

15km+1km on foot, Cumulative Elevation 600m, 3 hours

It is a course to enjoy cycling and mountain climbing. On the mountain peak, you can overlook the both views of Amanohashidate and Shotenkyo.

Accommodation and e-BIKE (Recommended by Ukawa Onsen)

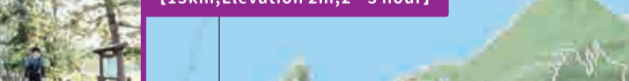

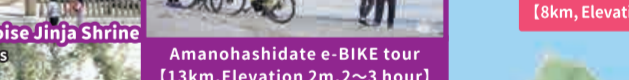

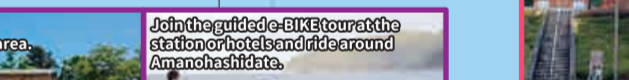

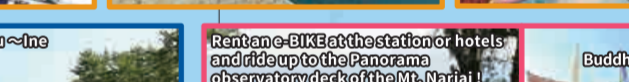

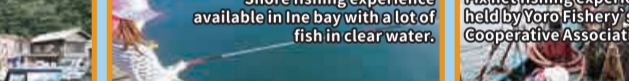

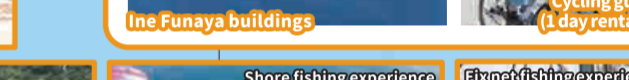

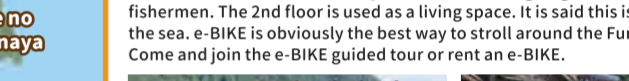

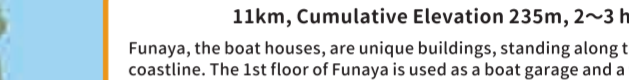

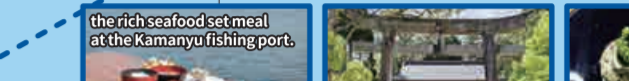

Natural hot spring with stunning view! Besides a day-trip hot spring facility, it also provides lodge, where you can enjoy activities, experiences besides the fresh seafood, such as e-BIKE, camping, boat fishing and so on. There are many beautiful sightseeing spots nearby. You can rent an e-BIKE to go around.

Tan-ichi/Cycling around Tango Peninsula

82km~ Cumulative Elevation 1738m~

Cyclists from all over the country gather to enjoy the beautiful Tango cycling road. Blue Dragon is a local cyclist organization. People of all ages, regardless of gender, travel around Tango by bicycle every week. Let's ride around Tango together! Even beginners can ride an e-BIKE!

Cycling tour of Funaya and the amazing coastline of the Japan Sea

11km, Cumulative Elevation 235m, 2~3 hours

Funaya, the boat houses, are unique buildings, standing along the Ine bay coastline. The 1st floor of Funaya is used as a boat garage and a workspace for fishermen. The 2nd floor is used as a living space. It is said this is the life closest to the sea. e-BIKE is obviously the best way to stroll around the Funaya buildings. Come and join the e-BIKE guided tour or rent an e-BIKE.
